

Poultry Coverage

Farm Building Coverage

Barns and Outbuildings includes farm barns, implement sheds, storage buildings, generator buildings, incinerators, silos and bins that you own which are designed and built for the storage or housing of produce and/or livestock, agricultural equipment, feeding, watering and ventilation equipment.

Hydro Poles and Transmission Lines

Includes all poles, cross beams, insulators and permanently installed outside electric wiring which you own, are located on your property and powers an insured building.

Debris Removal

Includes the cost of cleaning and removal of debris from property insured, as a result of an insured peril.

Livestock Coverage

We can insure your poultry on a Named Perils basis. Some of these named perils are:

- Fire
- Theft
- Earthquake
- Flood
- Windstorm or Hail
- Collision, derailment or overturn of transporting land vehicle
- Lightning/Electrocution
- Drowning
- Attack by dogs and wild animals

Optional Coverages

Heat Prostration

Heat exhaustion due to extremes in atmospheric temperature.

Broad Form Consequential Loss

An interruption in the operation of the heating or ventilation systems of the building which confines the livestock caused by a sudden and accidental:

- Interruption of electrical power or fuel supply to the above systems caused by an insured peril.
- Electrical or mechanical breakdown of the above systems caused by an insured peril.

Veterinarian Expenses

Postmortem examination determining cause of death is covered.

Feed and Produce Coverage

We can insure your feed and produce on a Broad Form basis, including refrigerated produce.

Farm produce shall also include medications kept for the maintenance of livestock.

Note: Only brief descriptions of coverages are presented on this page. Complete details of coverages, exclusions and qualifications are stated in the respective policies, and take precedence. All coverages may not be available in all locations.

"Your peace of mind ... is our bottom line."
